Django Girls

Django Girls

non-profit

founded in Poland

by Ola Sitarska & Ola Sendecka

Mission:

“to bring more women into tech field, by making technology more approachable, simple and friendly”

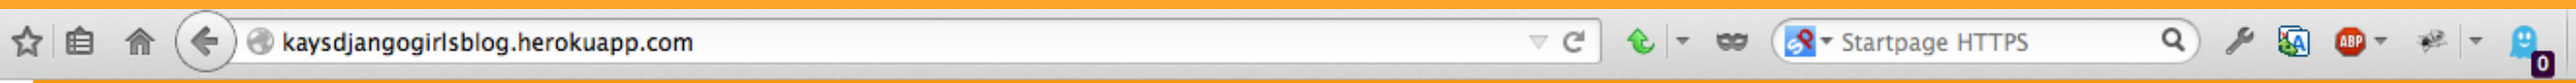
Django Girls

one-day workshops

groups of 3
supported by 1 coach each

goals:

- introduce women to programming
- build & deploy a web application in a day



Django Girls Blog

published: July 21, 2014, 5:26 p.m.

Tadaaaaaa!

This is my first blog post, yay!

1st workshop

21 July 2014

in Berlin

during EuroPython (+ conference ticket)
